**Criminological Research and Education Matters: People, Policy, and Practice
in Tumultuous Times**

Program Co-Chairs:

Charis Kubrin, University of California, Irvine
and

Jennifer Macy, California State University, Dominguez Hills

with assistance from **Jordan Grasso**, University of California, Irvine, Doctoral Candidate

ASC President:

Valerie Jenness, University of California, Irvine

SUBMISSION DEADLINES

Thematic panels, individual paper abstracts, and author meets critics panels due:

Friday, March 22, 2024

Posters, roundtable abstracts, and lightning talk abstracts due:

Friday, May 17, 2024

SUBMISSION DETAILS

All abstracts must be submitted on-line through the All-Academic submission website. Details can be found on the [ASC Annual Meeting](#) website. You will need to create a new profile for 2024. On the site, you will be asked to indicate the type of submission you wish to make. The submission choices available for the meetings include: (1) Complete Thematic Panel, (2) Individual Paper Presentation, (3) Author Meets Critics Session, (4) Poster Presentation, (5) Roundtable Submission, or (6) Lightning Talk Presentation. **Please continue to click Accept and Continue in the lower right-hand corner until you no longer see it.** You will receive a confirmation email after you submit. If you do not, email meeting@asc41.org.

Please note that late submissions will NOT be accepted. In addition, submissions that do not conform to the guidelines will be rejected. We encourage participants to submit well in advance of the deadline so that ASC staff may help with any submission problems while the call for papers remains open. Please note that ASC staff members respond to inquiries during normal business hours.

Complete Thematic Panels: Panel submissions must include a title and abstract for the entire panel as well as titles, abstracts, and author information for all papers. Each panel should contain between three and four papers and one discussant. The panel and individual paper abstracts should be less than 200 words. We encourage panel submissions to be organized by individuals, ASC Divisions, and other working groups.

- PANEL SUBMISSION DEADLINE:
Friday, March 22, 2024

Individual Paper Submissions: Submissions for a regular panel session presentation must include a title, abstract, and author information. Please note that these presentations are intended for individuals to discuss work that is close to completion or where substantial progress has been made. Presentations about work that has yet to begin or is only in the formative stage are not appropriate here and may be more suitable for Roundtable Discussion (see below). Presentations of work that is published would be more suitable for an Author Meets Critic session.

- INDIVIDUAL PAPER SUBMISSION DEADLINE:
Friday, March 22, 2024

Author Meets Critics: These sessions are organized by an author or critic, consist of one author and three or four critics discussing and critiquing a recently published book relevant to the ASC. Note that the book must appear in print before the submission deadline (March 22, 2024) so that reviewers can complete a proper evaluation and to ensure that ASC members have an opportunity to become familiar with the work. Submit the title of the book, the author's name and the names of the three to four people who have agreed to comment on the book.

- AUTHOR MEETS CRITICS SUBMISSION DEADLINE:
Friday, March 22, 2024

Poster Presentations: Submissions for poster presentations require only a title and abstract along with author information. Poster area you can use will be 4' x 8'. You should display theoretical work or methods, data, policy analyses, or findings in a visually appealing poster format that will encourage questions and discussion about the material. One poster submission per presenter is allowed.

- POSTER SUBMISSION DEADLINE:
Friday, May 17, 2024

Graduate Student Poster Competition: Graduate students who wish to enter this competition should adhere to the directions and deadline for presenting a poster at the Annual Meeting (see above). In addition, such participants must self-declare their request for award consideration at the time of their Poster submission by marking the appropriate box in the submission system. Participants must also send a brief (2-3 minute) YouTube video presentation of their poster to the Graduate Student Poster Award Committee Chair by **June 24**. For full eligibility details, please see the [ASC Awards](#) website.

The award committee will judge submissions primarily on scientific merit and secondarily on visual appeal. Ideally submissions should be as complete as possible, with a question, method, data, and (preliminary) results and implications. Awards for 1st, 2nd and 3rd place will be given. The Executive Board may decide not to give the awards, or to give fewer than three awards, in any given year. Award decisions will be based on the quality of the posters and not on the number of endorsements received for any particular poster.

For more questions or more information, please contact the Graduate Poster Competition Chair, Sanja Kutnjak Ivkovich at kutnjak@msu.edu.

- **POSTER SUBMISSION DEADLINE:**
Friday, June 24, 2024

Roundtables: These sessions consist of three to five papers with presenters discussing related topics. For roundtable submissions, you may submit either a single paper to be placed in a roundtable session or a complete roundtable session. Submissions for a roundtable must include a title and abstract along with participant information. A full session submission requires a session title and brief description of the session. The full session can consist of discussants on one topic or a session submission with three to five papers with presenters discussing related topics. Roundtable sessions are generally less formal than thematic paper panels. Thus, ASC provides no audio/visual equipment for these sessions.

- **ROUNDTABLE SUBMISSION DEADLINE:**
Friday, May 17, 2024

Lightning Talks: These sessions are a series of 5-minute talks/presentations by different speakers, each introducing a topic or idea very quickly. Lightning Talks are a way to share information about diverse topics from several presenters, while still captivating the audience. Each presentation should consist of a maximum of 3 to 5 PowerPoint slides or prompt cards, with a total of one or two key messages for the entire presentation. Each slide should consist of a few words and one primary image. Lightning talks are ideal for research and theory development in its early stages. See the [Lightning Talk Guide](#) for further information. Submissions for a lightning talk full panel session must include a title and abstract for the entire panel as well as titles, abstracts, and author information for all talks/presentations. Each panel should contain between 6-7 talks/presentations.

- **LIGHTNING TALK SUBMISSION DEADLINE:**
Friday, May 17, 2024

Other Information: Only original papers that have not been published may be submitted to the Program Committee for presentation consideration. Presentations of the same paper presented elsewhere are discouraged.

The meeting is Wednesday, November 13 through Saturday, November 16, 2024. Sessions may be scheduled at any time during the meeting. ASC cannot honor personal preferences for day and time of presentations. If a session does not have a chair, a program committee member may choose a presenter from the last paper on the session.

All program participants are expected to register for the meeting. We encourage everyone to pre-register before October 1 to avoid paying a higher registration fee. You may also visit the ASC website at <https://asc41.org/> under News & Events to find [Annual Meeting](#) information to register online or access a printer friendly form to fax or return by mail.

SUBMISSION DEADLINES

- **Friday, March 22, 2024**, is the **absolute** deadline for thematic panels, regular panel presentations, and author meets critics sessions.
- **Friday, May 17, 2024**, is the **absolute** deadline for the submission of posters, roundtable, and lightning talk sessions.

ABSTRACTS

A typical abstract will summarize, in one paragraph of 200 words or less, the major aspects of your research, including: 1) the purpose of the study and the research problem(s) you investigate; 2) the design of the study; 3) major findings of your analysis; and 4) a brief summary of your interpretations and conclusions. Although not all abstracts will conform to this format, they should all contain enough information to frame the problem and orient the conclusions. Abstracts will be made public to all meeting attendees through the ASC program app.

EQUIPMENT

Only LCD projectors will be available for all panel and paper presentations, including lightning talks to enable computer-based presentations. However, presenters will need to bring their own personal computers or arrange for someone on the panel to bring a personal computer. ASC does not have virtual presentation options currently.

No projectors will be available for roundtables or posters.

GUIDELINES FOR ONLINE SUBMISSIONS

Before creating your account and submitting an abstract for a single paper or submitting a thematic panel, please make sure that you have the following information on *all* authors and co-authors (discussants and chairs, if a panel): name, phone number, email address, and affiliation. **This information is necessary to complete the submission.**

When submitting an abstract or complete panel at the ASC submission website, you should select a single sub-area in the broader areas listed below. Please select the area and sub-area most appropriate for your presentation and only submit your abstract once. If you are submitting an abstract for a roundtable, lightning talk, poster session or author meets critics panel, you only need to select the broader area; no sub-area is offered. Your choice of area and sub-area (when appropriate) will be important in determining the panel for your presentation and will assist the program chairs in avoiding time conflicts for panels on similar topics.

Tips for choosing appropriate areas and sub-areas:

- Review the entire list before selecting.
- Choose the most appropriate area first and then identify the sub-area that is most relevant to your paper.

****When utilizing the on-line submission system, BE SURE TO CLICK ACCEPT AND CONTINUE UNTIL THE SUBMISSION IS FINALIZED. After you have finished entering all the required information, you will immediately receive a confirmation email indicating that your submission has been entered. If you do not receive this confirmation, please contact ASC immediately to resolve the issue. You may call the ASC offices at 614-826-2000 or email us at meeting@asc41.org**
