GENERAL SUBMISSION INFORMATION

All abstracts must be submitted online via the All-Academic submission website. A direct link will be provided in January 2025.

You will need to create a new profile each year as the submission site does not store profiles from previous years.

Before submitting an abstract for a single paper or submitting a panel, please ensure you have the following information for *all* authors and co-authors (including discussants and chairs, if applicable): **Name, phone number, email address, and affiliation**. This information is necessary to complete the submission.

Only original papers that have not been published may be submitted to the Program Committee for presentation consideration. Presentations of the same paper presented elsewhere are discouraged. An individual may submit more than one paper/panel provided the work has not been presented at past meetings.

For meeting participant information, please see [Guidelines for Annual Meeting Participants](#).

Please refer to the [Annual Meeting FAQ document](#) for guidance on registration, equipment, session scheduling, and travel.

SUBMISSION DEADLINES

Friday, March 21, 2025 - absolute deadline for thematic panels, regular panel presentations, & author meets critics sessions.

Friday, May 16, 2025 - absolute deadline for the submission of posters, roundtable, & lightning talk sessions.

Late submissions will NOT be accepted. In addition, submissions that do not conform to the guidelines will be rejected. To avoid last-minute complications, we recommend submitting well in advance of the deadline. If you need assistance, ASC staff are available to respond to inquiries during regular business hours.

GUIDELINES FOR ONLINE SUBMISSIONS

Prior to submitting an abstract or panel, please review the 2025 Program Committee list below and choose a single sub-area within the broader areas.

- Choose the area and sub-area that best fits your presentation and submit the work only once. Your choice of area and sub-area (when applicable) is important in determining the panel for your presentation and will assist the program chairs in avoiding time conflicts for panels on similar topics.
- For roundtable, lightning talk, poster session or author meets critics panel submissions, you only need to select the broader area; no sub-area is offered.

On the submission site, you will be asked to indicate the type of submission you wish to make. The available choices include: (1) Complete Thematic Panel, (2) Individual Paper Presentation, (3) Author Meets Critics Session, (4) Poster Presentation, (5) Roundtable Submission, or (6) Lightning Talk Presentation.

SUBMISSION TYPES

(1) Complete Thematic Panels: Panel submissions must include a title and abstract for the entire panel, as well as titles, abstracts, and author information for each paper. Each panel should consist of three to five papers and one discussant. Both the panel and individual paper abstracts should be less than 200 words. We encourage panel submissions to be organized by individuals, ASC Divisions, and other working groups.

- PANEL SUBMISSION DEADLINE:
Friday, March 21, 2025

(2) Individual Paper Submissions: Submissions for a regular panel session presentation must include a title, abstract, and author information (name, email, affiliation). These papers should focus on work that is nearing completion or has made substantial progress. Work that is in its early stages or yet to begin may be more appropriate for a roundtable discussion (see below). Presentations of published work would be better suited for an "author meets critic" session. An individual may submit more than one paper provided the work has not been presented at past meetings.

- INDIVIDUAL PAPER SUBMISSION DEADLINE:
Friday, March 21, 2025

(3) Author Meets Critics Sessions: These sessions are organized by either the author or a critic and should feature a recently published book relevant to the ASC. Each panel should include the author's name and names of three to four critics who have agreed to discuss and critique the book. The book must be in print by the submission deadline to allow time for proper evaluation and for ASC members to familiarize themselves with the work.

- AUTHOR MEETS CRITICS SUBMISSION DEADLINE:
Friday, March 21, 2025

(4) Poster Presentations: Submissions for poster presentations must include a title, abstract and author information (name, email, and affiliation). Each poster will be allocated a 4' x 8' display space. The poster should visually present theoretical work or methods, data, policy analyses, or findings in a format that encourages questions and discussion. Only one poster submission is allowed per presenter.

- POSTER SUBMISSION DEADLINE:
Friday, May 16, 2025

Graduate Student Poster Competition: Graduate students who wish to enter this competition should adhere to the directions and deadline for presenting a poster at the Annual Meeting (see above). In addition, such participants must self-declare their request for award consideration at the time of their Poster submission by marking the appropriate box in the submission system. Participants must also send a brief (2-3 minute) YouTube video presentation of their poster to the Graduate Student Poster Award Committee Chair by **June 20**. For full eligibility details, please see the [ASC Awards](#) webpage.

The award committee will judge submissions primarily on scientific merit and secondarily on visual appeal. Ideally submissions should be as complete as possible, with question, method, data, and (preliminary) results and implications. Awards for 1st, 2nd and 3rd place will be given. The Executive Board may decide not to give the awards, or to give fewer than three awards, in any given year. Award decisions will be based on the quality of the posters and not on the number of endorsements received for any particular poster.

For more questions or more information, please contact the Graduate Poster Competition Chair, Camille Gibson, cbgibson@pvamu.edu

- POSTER COMPETITION SUBMISSION DEADLINE:
Friday, June 20, 2025

(5) Roundtables: These sessions consist of 4-5 papers with presenters discussing related topics. Roundtable sessions are generally less formal than thematic paper panels. Thus, ASC provides no audio/visual equipment for these sessions.

- You may submit either a single paper to be placed in a roundtable session or a complete roundtable session.
 - Must include a title, abstract, and all participant information.
 - A full session submission requires a session title and brief description of the session, along with discussants on one topic or a session submission with 4-5 papers with presenters discussing related topics.
 - An individual may submit more than one paper provided the work has not been presented at past meetings.
- ROUNDTABLE SUBMISSION DEADLINE:
Friday, May 16, 2025

(6) Lightning Talks: Lightning Talks are concise, 5-minute presentations where speakers quickly and engagingly introduce a topic or idea. These sessions aim to showcase diverse topics from multiple presenters while maintaining the audience's attention.

- Each presentation should include 3 to 5 slides or prompt cards, delivering one or two key messages. Slides should feature minimal text and one primary image.
 - Lightning talks are ideal for research and theory development in its early stages. See the [Lightning Talk Guide](#) for further information.
 - Submissions for a full Lightning Talk panel must include a title and abstract for the entire panel, as well as the titles, abstracts, and author information for each presentation. Panels should consist of 6-7 presentations.
- LIGHTNING TALK SUBMISSION DEADLINE:
Friday, May 16, 2025

ABSTRACTS

A typical abstract will summarize, in one paragraph of 200 words or less, the major aspects of your research, including: 1) the purpose of the study and the research problem(s) you investigate; 2) the design of the study; 3) major findings of your analysis; and 4) a brief summary of your interpretations and conclusions. Although not all abstracts will conform to this format, they should all contain enough information to frame the problem and orient the conclusions. Abstracts will be made public to all meeting attendees through the ASC program app.

Reminder: While submitting, BE SURE TO CLICK “ACCEPT AND CONTINUE” in the lower right-hand corner until you no longer see it. After the submission is completed, you will receive a confirmation email. If you do not, please contact us at meeting@asc41.org.

EQUIPMENT

LCD projectors and cabling will be available only for panel and paper presentations, including lightning talks, to support computer-based presentations. Presenters should bring their own personal computers or coordinate with another panel member to provide a personal computer. ASC does not offer virtual presentation options.

No projectors will be available for roundtables or poster presentations.

MEETING INFORMATION

The 2025 Annual Meeting will take place from Wednesday, November 12, to Saturday, November 15. Sessions may be scheduled at any time during the meeting dates, and ASC cannot accommodate individual preferences for presentation day or time.

If a session does not have an assigned chair, a program committee member may designate a presenter from the last paper on the session to fulfill this role. All participants on the program are required to register for the meeting.

We strongly encourage pre-registration by October 1 to avoid higher onsite registration fees and potential wait times at the registration desk. Visit the ASC website at <https://asc41.org> under “News & Events” for Annual Meeting information, where you can register online or download a printable registration form for mail or fax submission.

For additional guidance on registration, equipment, session scheduling, and travel, please refer to the [Annual Meeting FAQ document](#).

The ASC executive office is available to assist during regular working hours. If you have any questions or concerns, please email meeting@asc41.org or call at 614-826-2000.
